Friends of Port Washington/ Saukville Communities

Port Washington / Saukville Arts Council is a newly formed organization comprised of volunteers dedicated to enriching our communities through the arts. We ask for your support and generosity to make this a successful venture.

For 2010-2011 season we have organized a four-part series that features vocal, visual, instrumental and dance theatre events. This season will truly offer something for everyone to enjoy. Our goal is to develop a comprehensive arts resource that will complement programs already in place in our local school districts and community groups.

Please consider supporting this exciting growth opportunity for our communities through your tax-deductible donation. Take a moment to review the levels of corporate sponsorship and the benefits you receive through recognition of your support. Any amount given is greatly appreciated.

Contact us to discuss how you and the Arts Council can work together. Events like this would not be possible without you.

Thank you,
Dennis Gephart ~ President
