Mission: To promote healthy aging by providing cost effective programs, classes, activities and services to citizen's 55 years and better. Adopted April 10, 2002

Director's Report

The theme for celebrating Senior Center Week is "Senior Centers: Our Community's Investment". This year, the dates are May 14-20th. The theme is very timely as the State Legislature works on a Tax Payer Amendment act that would limit growth of local governments and potentially pit the needs of citizens against each other. To show your support for the tax investment Port Washington makes toward the operation of the Senior Center call or write your alderman and thank them for the financial investment your tax dollars make toward a direct benefit you regularly access and utilize through the Center programs and services. *Did you know there were over 2,925 recorded visits Jan – March!* Take a second step and fill the Center for the Coffee Chat with the Mayor on Tues. May 16. The special events planned for Senior Center Week include:

- Monday 15th Movie, Walk the Line
- Tuesday 16th, Coffee Chat with the Mayor
- Wednesday 17th Lakeside Tea with Linda Gottlieb
- Thursday 18th, Arthritis & You and Put Your House in Order Video & Discussion on aging with dignity through choices you make now.
