Director's Report

Remember to change your clocks for daylight savings on Sat. March 13! The Center is the community focal point for Older Adults and seniors. We have new members joining every month. Please make an effort to greet new people and welcome them. When we open up to new people and experiences it enriches life and sustains center programs! Invite someone new to a group or social event.

The Site Selection Committee met with the Mayor and City Administrator and will be taking a walk through of the potential recommended lease property. The plan is to provide more space needs while the committee continues the process of reviewing sites for a permanent home for the Center. The committee will keep the Commission on Aging, Senior Board, and the membership updated as the process moves forward.
