Director's Report

The theme for September: National Senior Center Month is at left. Please join the center for the planned events to celebrate! September also begins our annual membership recruitment. New members joining will

receive 4 months of 2011 free when joining for 2012! It takes time to create a masterpiece, and so it is with new friendships! Welcome new people, see who just before Birthdays on page 10, by greeting them and inviting them to join you at a wellness program, game, lunch, or special event.

The budget process for the city began in August. It is important to thank your alderman for the ongoing financial support of the operations of the Port Washington Senior Center and invite them to join you at an event throughout the fall.

The outdoor permanent sign is a project being undertaken by Mark Ansay. He is trying for his Eagle Scout Badge through the design & funding of a sign that was granted approval in August. He has a commitment from several groups for some funds and is asking the membership & Board of Directors to consider a donation to the project. He would like to be finished by the open house (hopefully in mid-October). Contributions

toward the project may be made in the Center office and should be designated as outdoor sign.

Introduction to Tai Chi

The instructor will demonstrate and lead interested students through a few basics of tai chi. “Why is Tai Chi so popular these days?”

It is because those who do practice every day have a longer, more active life than those who don't, and their health potential increases dramatically. Other exercises dissipate your energy, while Tai Chi accumulates it, leaving you feeling refreshed when you finish. The slow, dance-like speed of Tai Chi creates balance, flexibility and calmness. With an emphasis on deep breathing and using mental imagery, Tai Chi integrates your mind with your body, and is very effective at relieving stress.” From Chi-Kung.com
