Youth Resident ID Cards

Strict conformance of the Resident/Non-resident policy will be enforced at the Waterpark. Residents expect nothing less than non-residents paying their fair share. Therefore, the following procedure will be in place this season:

All City of Port Washington residents who do not possess a drivers license must confirm their residence when entering the Waterpark in order to avoid paying non-resident fees. Therefore, a Resident Identification Card must be acquired from the Recreation Department office. The picture card must be brought to the waterpark each time and shown to the cashier who will then charge just the resident fee. **Non-Resident fees will be charged to anyone not offering a picture ID such as the Resident Card or a Drivers License.** Parents are required to bring their children to the office and show their residency prior to securing the ID for their children. There is no charge for the 1st photo, but a \$2 fee will be collected for all replacement ID's.

Group Discount

Groups of 10 or more people are granted a special rate at Pirates' Hollow. After calling 48 hours in advance, admission will be reduced by \$.50 per person and the adult leaders are admitted free. We require a ratio of 1 adult for each 8 children. Recreation staff reserve the right to refuse groups due to scheduling conflicts. The special discounts only apply to approved groups.

Non-Resident Youth Punch Card

To accommodate resident Grandparents that have non-resident grandchildren visiting or residents that have exchange students staying with them for the summer, a discounted punch card may be purchased for \$40.00. The punch card is good for 10 visits to the Waterpark.
